

PROVIDE INPUT TODAY!

The community has continually voiced strong support for a community aquatic center. We are asking for your input to determine how to move forward. What did we miss in the 2020 capital proposal?

Did the pandemic play a role in your decision for our 2020 aquatic center capital proposal?

Are there items in this proposal that are unclear? What questions do you have?

What do you like about this proposal?

Is there anything you would change about this proposal?
