Increased Programming

Flexible design of a recreation pool allows for concurrent programming with activities for all ages and abilities. Current Si View Pool is a singular space with mostly deep water.

Bather Capacity	Si View Pool	Recreation Pool
Per Session	60	260
10 Session Day	600	2600

Programming options increase significantly when learn to swim programs, aquatic fitness programs and therapeutic programs can all be scheduled at the same time.

Time of Day	Si View Pool	Recreation Pool
Morning	Lap Swim	**+** Water Aerobics
Morning	Water Aerobics	**+** Lap Swim
Morning	Parent-Tot	**+** Lap Swim Gentle Water
Afternoon	Lap Swim	**+**Gentle Water Parent-Tot Interactive Play
Afternoon	Gentle Water	**+** Lap Swim Water Aerobics Homeschool Lessons Interactive Play
